

## EMBR SPECIAL SERVICES CATEGORIES

Armature Rewinding  
Balancing Machine Service  
Bearing  
Rebabbiting/Rebuilding  
Cable Assembly  
Circuit Board Repairs  
Commutator Repair  
Computer Systems Services  
Consulting Engineers  
Contact Repair/Rebuilding  
Control Service  
Crane and Hoist  
Repair/Inspection  
Cryogenic Cleaning  
Dealer in Used Equipment  
Dynamometer Repair  
Electric Magnet Repair  
Electronic Assembly  
Electronic Remanufacturing  
Electronic Repair/Servicing  
Employment Service  
Encoder Repair  
Equipment Brokers  
Field Testing of Electrical Apparatus/Systems  
Financial Consulting/Mergers & Acquisitions  
Generator Service  
Hermetic Motor Rebuilding  
Infrared Service and Analysis  
Instrument Repair  
Insulation fabricators  
Laminations, Dies, Stamping  
Leasing  
Lift Truck Motor Repair  
Marine Repair/Services  
Mill Motor  
Repair/Replacement  
Motor/Generator Testing Services  
Noise Reduction  
Nuclear Component Repair  
Oilfield Repair/Services  
Online Materials Sourcing  
Over-the-Road Transportation  
Panel Building  
Panel Fabrication  
PCB Disposal  
Permanent Magnet  
Remagnetizing  
Pest Control  
Plating Service/Platinum  
Plating  
Power Quality Solutions  
Price Service  
Printed Circuit Board Repair  
Product/Technical Manual Preparation  
Pump Repair  
Rebuilders of  
Switchgear/Circuit Breakers  
Rewinding, Production Line Rigging  
Rotor Rebarring  
Seal Reconditioning  
Servomotor Repair  
Site Location/Development  
Slip Ring Repair/Rebuilding  
Spindle Service  
Submersible Motor Repair

Switchgear Repair  
Tank Cleaning  
Thermal Spraying  
Transformer  
Service/Rebuilding  
Ultrasonic Service  
Vibration Analysis  
Waste Management  
Windpower repair

## EMBR DISTRIBUTOR CATEGORIES

Bearings  
Bus bars  
Cleaning supplies  
Compounds  
Controls  
Couplings  
Drives  
Electronic components  
Engine/generator sets  
Fans  
Gearings  
Generators  
Hand tools  
Hoists and hoist parts  
Instruments  
Insulation materials  
Inverters  
Motors  
Motor starters  
Paints  
Power line conditioners  
Power tools  
Pumps and pump parts  
Replacement parts  
Safety equipment (electrical)  
Seals  
Seal rings - carbon  
Shop equipment  
Switches  
Transformers  
Wire/cable  
**EMBR PRODUCT CATEGORY LIST:**  
Abrasives  
*(includes subcategories)*  
Abrasive grains  
A-C Motors  
*(includes subcategories)*  
Adhesives and Sealants  
Aerator Products  
*(includes subcategories)*  
Air Compressors  
Air Filters  
Alignment Tools and Materials  
*(includes subcategories)*  
Alternators  
Ammeters  
Annunciators/Alarm Devices  
Armature Servicing Equipment  
*(includes subcategories)*  
Armature Testers  
Assembly and Test Systems  
Balancing Compounds  
Balancing Equipment  
*(includes subcategories)*  
Batteries  
Battery chargers  
Battery testing and maintenance equipment

Bearings  
*(includes subcategories)*  
Bearing monitoring/testing equipment  
Bearing mounting heaters  
Bearing mounting spacers  
*(includes subcategories)*  
Belts  
Blasting equipment  
Blown fuse indicators  
Brakes  
*(includes subcategories)*  
Brazing  
*(includes subcategories)*  
Brushes  
Brush holders  
Brush shifting motors  
Brush springs  
Bushings  
*(includes subcategories)*  
Busway systems  
Bus Bars  
Cable and hose reels  
Cable clamps  
Cable fault testers  
Cable preparation tools  
Calibrators  
Capacitors  
*(includes subcategories)*  
Capacitor testers  
Carbon brushes  
Chains and sprockets  
Circuit breakers  
Circuit breaker testers  
Clutches  
Coatings  
*(includes subcategories)*  
Coils  
*(includes subcategories)*  
Coil fabrication equipment  
*(includes subcategories)*  
Coil winding equipment  
Coil wrappers  
*(includes subcategories)*  
Collector rings  
Commutators  
Commutator servicing equipment  
*(includes subcategories)*  
Composites  
Compounds  
*(includes subcategories)*  
Computer software/systems  
Conductor rail systems  
Conduit Systems  
Connectors, terminals, clips  
Connector crimping tools  
Contactors  
Contacts  
Contact treatment  
Controllers  
Controls  
*(includes subcategories)*  
Control panels  
*(includes subcategories)*  
Conveyorized handling equipment  
Coolers  
*(includes subcategories)*  
Cord, twine, and lacing  
Core Testers  
Counter dials  
Couplings  
Crack depth meters

D-C motors  
*(includes subcategories)*  
Dereelers  
Digital multimeters  
Dip tanks  
Dispensing equipment  
Drives  
*(includes subcategories)*  
Drives--adjustable speed  
*(includes subcategories)*  
Drives-variable frequency  
Drum Controllers  
Dynamometers  
Efficiency testers  
Electrical Enclosures  
*(includes subcategories)*  
Electrical safety interlocks  
Electromagnets  
Electronic control systems  
Electronic counting equipment  
Encapsulation equipment  
Encoders/Resolvers  
Engine generator sets  
Epoxies  
Fans and blowers  
Fiberglass Products  
Field coil testers  
Filters  
*(includes subcategories)*  
Floor cleaning equipment  
Floor coatings  
Fluxmeters or gaussmeters  
Fractional horsepower motors  
*(includes subcategories)*  
Frequency converters  
Fuseholders/Clips  
Fuses  
Gears  
Gear products and assemblies  
Gear pullers  
Generators  
*(includes subcategories)*  
Grinders  
*(includes subcategories)*  
Grinding wheels  
Ground detectors  
Ground testers  
Grout  
Growlers  
Hand tools  
Harmonic analyzers  
Heat exchangers  
Heat guns  
Heat sinks  
Hoists and cranes  
*(includes subcategories)*  
Indicating lamps  
Induction heating equipment and systems  
Inductors  
*(includes subcategories)*  
Infrared equipment  
*(includes subcategories)*  
Insulating oil  
Insulating sleeving  
Insulation fabrication equipment  
*(includes subcategories)*  
Insulation, sheet materials  
Insulation testers  
*(includes subcategories)*

Integrated circuits <i>(includes subcategories)</i>	<i>(includes subcategories)</i>	Sleeving and flexible tubing	Vibration meters, analyzers -
Interface modules	Phase converters <i>(includes subcategories)</i>	Slip rings	See also ultrasonic
Inverters	Phase insulation	Slip ring motors	inspection equipment <i>(includes subcategories)</i>
Keyboards	Phase sequence indicators	Slot cells	Vibration switches
Key stock	Pillow blocks	Slot sticks and wedges	Voltage detectors
Laminations	Pole collars/washers	Soldering Equipment and Materials <i>(includes subcategories)</i>	Voltage regulators
Lamination manufacturing equipment	Positioning Systems	Solvents and cleaners	Voltmeters
Lead cable (wire)	Potentiometers	Sound level meters	V-Rings
Lead wipers	Power factor controllers <i>(includes subcategories)</i>	Space heaters	Washers
Leak testers	Power line conditioners	Speed sensors	Wastewater evaporators
LED Displays	Power line disturbance monitors	Springs	Waterproofing
Lighting ballasts	Power plants, Standby- Emergency	Spring pins	Water and waste disposal equipment
Lighting controls	Power supplies <i>(includes subcategories)</i>	Stainless Steel Motors	Water blasting systems
Lightning protection equipment	Power tools	Static exciters	Wattmeters
Linear actuators	Power transmission	Stators	Wedges
Line Reactors	Presses	Stator servicing equipment <i>(includes subcategories)</i>	Welding electrodes and accessories
Load banks	Pressure gauges	Storage systems	Welding power supplies
Load monitors or energy analyzers	Pressure Transducers	Stroscopes	Wire
Lubricants	Programmable logic controllers	Surge suppressors	Wire and cable ties and clamps
Lubricating devices	Pullers <i>(includes subcategories)</i>	Switchboards	Wire control and tension gauges
Magnetic amplifiers	Pulleys	Switches <i>(includes subcategories)</i>	Wire enamels
Magnetic circuit breakers	Pulse generators	Switchgear	Wire harnesses and cable assemblies
Magnetic contactors	Pumps, pump parts	Tachometers	Wire markers <i>(includes subcategories)</i>
Magnetic Cores	Pump controllers	Tanks <i>(includes subcategories)</i>	Wire reelers, dereelers <i>(includes subcategories)</i>
Magnetic particle inspection equipment	Racks	Tapes, electrical insulation	
Magnetizing/demagnetizing equipment	Radiant heaters	Taping machines	
Magnets, permanent	Radio remote control systems	Telemetry systems	
Magnet wire <i>(includes subcategories)</i>	Recorders	Temperature meters	
Marking machines	Rectifier, power supplies <i>(includes subcategories)</i>	Temperature sensitive devices	
Material handling equipment <i>(includes subcategories)</i>	Reducers/Gearmotors	Terminal blocks	
Mechanical stripping	Relays <i>(includes subcategories)</i>	Test leads	
Metallizing equipment and materials	Repair putty	Test Stands	
Metal detectors	Resins	Thermal protectors	
Meters	Resolvers for encoders/Resolvers	Thermistors	
Metric motors	Retaining rings	Thermometers	
Mica products	Rheostats, resistors, pots	Thermostats	
Motor-generator sets	Rotors	Timers	
Motors, Linear	Rotor testers	Tools	
Motor controllers	Safety Equipment	Torque Measuring Equipment	
Motor Covers	Saturable reactors	Transfer switches <i>(includes subcategories)</i>	
Motor disconnects	SCR Assemblies	Transformers <i>(includes subcategories)</i>	
Motor lead wire	Sealants	Transformer components <i>(includes subcategories)</i>	
Motor Mounts/Bases/Rails	Seals <i>(includes subcategories)</i>	Transformer test equipment	
Motor parts	Semiconductors <i>(includes subcategories)</i>	Transformer winding equipment	
Motor protectors <i>(includes subcategories)</i>	Sensors <i>(includes subcategories)</i>	Trickle impregnation equipment	
Motor starters <i>(includes subcategories)</i>	Shafts	U-Joints	
Motor starting reactors	Shaft Grounding Systems	Ultrasonic inspection equipment <i>(includes subcategories)</i>	
Motor test panels	Sheaves, pulleys <i>(includes subcategories)</i>	Undercutters	
Multimeters	Sheets, plates, structural shapes, pressboard (insulating)	Uninterruptible power supplies	
Nameplates, decals, labels	Shipping materials	Vacuum pressure impregnation systems	
Noise reduction equipment <i>(includes subcategories)</i>	Shock pulse meters	Valves and related equipment	
Ohmmeters, megohmmeters	Shop equipment	Variable speed drives	
Oil rings	Short-circuiting devices	Varnishes <i>(includes subcategories)</i>	
Oil testers	Signal processing equipment	V-belts	
Oil testers	Signal systems and conditioners		
Oscilloscopes	Single-phase motor start/run		
Ovens <i>(includes subcategories)</i>			
Overload devices			
Paints			
Paint spray booths			
Panelboards			
Parts cleaning equipment
